EXPERIENCE

Technical Account Manager

Thomson Reuters, Inc.

2017-2022

New York, NY | Cherry Hill, NJ

- Administered post-sale onboarding and guided integration and implementation of enterprise SaaS and on-premises legal workflow solutions for top tier law firms, state and local governments, and universities, and developed custom user interfaces utilizing HTML and CSS.
- Actively supported sales team in pre-sales and renewal calls, telepresence, and live presentations for 700+ mid-size and global large law firms.
- Identified opportunities to support positive year-over-year revenue growth and achieve divisional goals.
- Led technology-focused presentations for mid-size and global large law firms and federal, state, and local governments.

Trial Technology Specialist

Paul, Weiss, Rifkind, Wharton & Garrison, LLP

2015-2017

New York, NY

- Installed networking equipment and maintained pop-up remote litigation offices throughout the U.S.
- Provided on-site technical support to litigation teams.
- Consulted with desktop analysts to image user laptops and conduct quality checks before delivery to litigation offices.
- Engaged with law firm partners, associates, paralegals, and Fortune 500 clients to bolster trial graphics and technology needs.
- Negotiated and coordinated with third-party vendors to facilitate remote litigation office logistics.
- Presented evidentiary materials during hearings, trials, and arbitrations.

Media Paralegal

Herzfeld & Rubin, P.C.

2011-2015

New York, NY

- Furnished audio-visual and technical support for pre-trial litigation, depositions, conferences, and war rooms.
- Produced, edited, and distributed audio-visual evidentiary materials.
- Designed firm-branded client-facing marketing collateral.
- Edited, published, and maintained monthly attorney blog posts on Law.com.
- Served as one of two non-attorney members of firm's Marketing Committee.
